

CORFAC Committee Descriptions

CORFAC International is a 501c6 not-for-profit association. Members serving in leadership and committee roles provide the governance structure for the network. The committees create strategies to implement the strategic plan and related initiatives in the network. Each committee is assigned specific initiatives from the strategic plan to implement, and progress is regularly evaluated to ensure the organization is reaching its strategic benchmarks. All committee initiatives should be undertaken with the best interests of the entire organization in mind.

Vision

Be the preferred global network of independent commercial real estate firms.

Mission

Maximize business development opportunities for CORFAC's global network.

Value

Collaborate to create the highest standards of service for members and their clients.
